

A man wearing a light-colored hat, a brown jacket, and dark trousers is working in a greenhouse. He is using a wooden tool to spread coffee beans on a wooden tray. The greenhouse has a curved wooden frame and a translucent plastic covering. The background shows a view of a green landscape through the plastic.

**KINGPIN**

---

*Sustainable  
Espresso*

*Sourced from high quality, sustainable farms in Brazil & Colombia, Kingpin is bold, full bodied and smooth.*

BRAZIL: *Fazenda Pinhal*

COLOMBIA: *Matambo*

*Toffee, cocoa  
and red apple.*

*Fazenda Pinhal in Brazil is managed by Pedro and Joao Newton. Their farm is part of a group of coffee farms in the Minas Gerais region that share infrastructure and knowledge to produce high quality, sustainable coffee.*
